

We have been making Viking bread. It was nice to learn about the past and experience it too. I could also practise my baking skills.

I've done baking at home, I've not made soup before, but I have now!

**What our pupils say about Design and Technology...**

I love making things.

I enjoyed making the flag poles and a Lego model. I followed the instructions.

I had heard about pulleys, gears and levers but I didn't know about them.
