4th September 2025

Dear Parents/Carers of Class 2 pupils,

Show and tell is always a very popular part of the school week - it's a wonderful way to build confidence, speaking, and listening skills. The enthusiasm is always fantastic!

Due to the growing number of children eager to participate each week, we will be **organising Show and Tell in groups**. This change will help ensure that **every child has a fair chance to share** and be heard, while keeping the sessions manageable and enjoyable for the class. We always aim for the show and tell session to be on a Friday.

Each week a **different group of children** will be invited to bring something in to share.
